

The Southern Indiana Grand Prix Series cordially invites you to attend the 2020 awards presentation.

Due to the ongoing global health pandemic and with the current restrictions, rules, and regulations in effect, we have made the heart-breaking decision to not have our normal awards presentation and banquet. We will instead be having an awards presentation only. Award winners can stop by Lynnville Park, in the tan signup building between 12pm & 5pm on Saturday, Nov 21, 2020 and pick up their award. We will have a podium setup with a backdrop for you to take pictures and our slide show presentation scrolling as well.
