Round one at Little Sandy on March 29th - CANCELLED

Due to the ongoing worldwide health pandemic concerning the COVID-19 virus, and with the current federal, state, and local rules, regulations, and recommendations, the SIGPS has made the decision to cancel Round one at Little Sandy scheduled for March 29. As with all decisions, first and foremost we take the health, safety & well being of our racers, families, fans, and sponsors into account.

We hope to reschedule this event and will announce further details at a later date. We plan on getting the 2020 season underway as soon as conditions allow. Stay tuned to sigps.com and our facebook page @sigps for further details.

More details and information on the COVID-19 virus including how to keep you and your families safe can be found at the following websites.
